Statement of Intent

At Leigh Stationers' Primary Academy, we believe that children cannot learn if they are absent from school. Therefore, we aim to ensure that all our children take full advantage of the educational opportunities available to them and to raise standards by promoting regular attendance and punctuality of pupils.

We are committed to providing an education of the highest quality for all our pupils. We believe high attainment depends on good attendance.

We expect all school personnel to support and promote excellent school attendance by acting as role models and to work hard to provide a learning environment in which all pupils are eager to learn, feel valued and enjoy coming to school. School personnel have a responsibility for identifying trends in attendance and punctuality.

Sometimes a pupil's absence or lateness may not be their fault and in these circumstances, it is our policy to be supportive of the child and not to make them feel guilty or inadequate. Also, at times we have to give allowances for religious beliefs and individual family circumstances.

We believe it is essential to regularly remind parents of the importance of good attendance and its links to pupil attainment. The Education Act 1996 clearly states that the prime responsibility of parents/carers is to ensure that their children attend school regularly.

We are aware that leave of absence can only be granted to a pupil only in exceptional circumstances and in authorising a holiday in term time we will take-into-account the child's attendance record, the child's age, the reason for the trip, the time in the academic year and the employment difficulties that parents face by taking holidays in school holiday time.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

At Leigh Stationers' Primary Academy, we encourage good attendance and offer the children the opportunity to take part in clubs both before and after school. This academic year we are also introducing wrap-around-care to support the needs of the parents. We also recognise excellent and improved attendance in whole school assemblies, presenting children with certificates of recognition.

Good attendance is vital because:

- It improves children's mental health and wellbeing
- Children learn more and enjoy their learning
- It helps children to make and keep friends
- Children are not as at risk of underachievement
- Children do not miss out on enrichment opportunities that are vital to their development
- Children thrive on routines

Absence

Leavers and Children Missing in Education

The school has a responsibility to safeguard pupils from harm. This includes knowing and taking reasonable steps to check the destinations of leavers. If your child is leaving other than at the end of Year 6 to go to Secondary School, parents are asked to:

- Give the school full information about their plans including date of move, new address, new school and start date when known, and reasons for moving
- When pupils leave and parents have not given us the above information, and we cannot contact the parent, then the child is considered to be a Child Missing Education. This means that the Local Authority has a legal duty to carry out investigations to try to track and locate the child. By giving us the above information, unnecessary investigations can be avoided.
