

Module 2 Newsletter

November 2025

Y2

We hope that you all had a good half-term and are well-rested ready for our new learning, and the exciting lead up to Christmas.

Our Unit of Inquiry:

Theme: **Sharing the Planet**

Central Idea: **Living things are affected by and adapt to the natural world.**

The lines of inquiry we will explore are:

- Life processes, the characteristics of living things
- How living things are suited to their habitats
- How the polar regions are changing and how this impacts the animals that live there

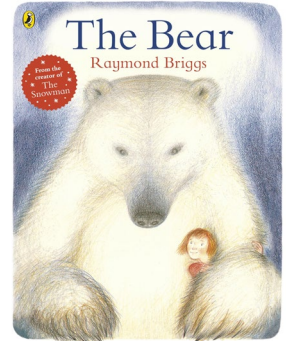

Our key text we will be reading : The Bear by Raymond Briggs

Writing: Non-chronological report all about Polar Bears and Instructions

Science unit : Living things and their habitats - life processes, world and micro -habitats and food chains. With a focus on Polar animals.

Maths:

- Recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100
- Add and subtract numbers using concrete objects, pictorial representations, and mentally, including: a 2 -digit number and 1s, a 2-digit number and 10s, two 2 -digit numbers and adding three 1 -digit numbers
- Identify and describe the properties of 2D shapes, including the number of sides, and line symmetry in a vertical line
- Compare and sort common 2D and 3D shapes and everyday objects

PE: Please remember that PE will be on Tuesdays and Thursdays this term. Children will need indoor, and outdoor kits - and will be outside weather dependent.

Home learning:

Please remember to practise spellings and Maths Champion targets with your children.

Reading: Children are expected to read at home for pleasure at least three times a week. The page numbers need to be recorded in their reading records three times.

Key Dates

November 13 | Odd Socks day for Anti-bullying week

December 11 | KS1 Nativity to Parents - PM

December 17 | Christmas dinner and Christmas jumper day

December 19 | Break up for Christmas Holidays at 1:30pm

January 6 | Back to school

Thank you for your support.

Miss Deadman, Mrs Tolley, Mrs Smith, Mr Brake and Mrs Mitchell.

Enjoy our photos from Module 1. We enjoyed International Day, a trip to the Tower of London and learning about the Great Fire of London.

In Module 1 our Unit of Inquiry was:

Theme: Where we are in time and place

Central Idea: Significant events and people shape our lives.

The lines of inquiry we explored were:

- How a significant event leads to improvement
- How significant people contribute towards achievement
- The impact of events and individuals from the past on life today

The Tower of London

International Day

Action: This half-term, at the end of our unit of inquiry, Year 2 presented their ideas to the class to say how they would improve London after the Great Fire of London. They came up with suggestions such as: building houses out of bricks, spreading out the houses, making the streets wider and storing water in all streets.

Thank you for your support.
Miss Deadman, Mrs Tolley, Mrs Smith, Mr Brake and Mrs Mitchell.
