

Module 5 Newsletter

April 2026

Y1

Our Module 5 Unit of Inquiry:

Theme: How we organise ourselves

Central Idea: We connect with people and places in our local area

The lines of inquiry we will explore are:

- Spaces are used for different purposes
- People connect with places to meet their needs
- People have created systems to connect

Our key texts we will be reading: The Tin Forest, by Helen Ward and Dear Earth, by Isabel Otter

Writing: Setting description, Letter

Science unit: Seasonal Change

PE: Please remember that PE will be on Wednesdays and Thursdays this term. Children will need indoor, and outdoor kits - and will be outside weather dependent.

Home learning:

Please remember to practise spellings and Maths Champion targets with your children.

Reading: Children are expected to read at home at least three times a week. The page numbers need to be recorded in their reading records three times.

We hope that you all had a wonderful Easter break and enjoyed spending time with your family. We have an exciting module of new learning ahead!

Maths:

Multiplication and division

- Counting in 2s, 5s and 10s
- Recognise and add equal groups
- Make arrays
- Make doubles
- Grouping and sharing

Fractions

- Recognise and find half of an object or shape
- Recognise and find half of a quantity
- Recognise and find a quarter of an object or shape
- Recognise and find half of a quantity

Key Dates

- May 4 | Bank Holiday Monday
- May 7 | Polling day (school open)
- May 22 | Break up for half-term- 3:15pm
- June 1 | Return to school

Thank you for your support.
Miss Davies and Mrs Cooper

In Module 4 our Unit of Inquiry was:

Enjoy our photos from Module 4. We enjoyed World Book Day, Forest School and the Egg Drop Challenge! We were certainly busy!

Theme: **How the World Works**

Central Idea: **Technology affects the way we travel and connect with one another**

The lines of inquiry we will explore were:

- How transport has changed over time.
- How technology has changed the way we connect with each other.
- How technology has influenced art.

World Book Day

Forest School

Science Week - Egg Drop Challenge

Action: We created a gallery of our digital artwork based on transport of the future to share with the rest of the school in Miss Davies' next art assembly.

Thank you for your support.
