

Module 5 Newsletter

April 2026

Y6

We hope that you all had a wonderful Easter break and enjoyed spending time with your family. We have an exciting module of new learning ahead!

Our new Unit of Inquiry:

Theme: Where we are in place and time

Central Idea: In times of war people show their support and share their points of views in different ways.

The lines of inquiry we will explore are:

- Life as a result of conflict
- Expression of support and sharing of views
- The role of art in influencing people's opinion

Text will be reading:

- Rose Blanche by Roberto Innocenti
- Goodnight Mister Tom by Michelle Magorian

Writing:

- Formal letters
- Descriptive writing

Science unit:

Living things and their habitats

- Classify living things into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals

Maths:

Ongoing arithmetic (including fractions)

Shape

- Measure and classify angles
- Missing angles in shapes
- Circles

Statistics

- Line graphs
- Pie graphs and percentages
- The mean

PE

Please remember that we will be swimming on Tuesdays and PE will be on and Fridays this term.

Home learning:

Please remember to practise spellings and times tables with your children. Spellings will be tested every Friday.

Reading: Children are expected to read at home for pleasure at least three times a week. The page numbers need to be recorded in their reading records three times along with 3 written comments. Reading records will be checked every Thursday.

Homework:

This is optional and due on Fridays.

Key Dates

- Monday 4th May - Bank Holiday Monday
- Thursday 7th May - Polling day (school open)
- Monday 11th May - SATs Week
- Monday 11th -14th Thursday May- 8:30am Breakfast Club
- Friday 15th May- Year 6 trip to Danson Park
- Friday 22nd May- Trip to Chislehurst Caves
- Friday 22nd May- Break up for half-term
- Monday 1st June- Return to school

Y6

Enjoy our photos from Module 4. We enjoyed World Book Day, Science Week, the Comic Relief Cake Sale and making chocolate crispy cakes.

In Module 4 our Unit of Inquiry was:

Theme: How we organise ourselves

Central Idea: Tourism can bring both benefits and cause problems in a local environment

The lines of inquiry we explored were:

- The environmental regions found in North America
- Similarities and differences between our location and a place in North America
- How tourism affects communities

Action: Pupils presented advantages and disadvantages of tourism.
